§ 1427.16 Reconcentration of cotton.

(a) CCC may under certain conditions, before loan maturity, compress, store, insure, or reinsure the cotton against any risk, or otherwise handle or deal with the cotton as it may deem necessary or appropriate for the purpose of protecting the interest therein of the producer or CCC.

(b) CCC may reconcentrate the cotton pledged for the marketing assistance loan from one CCC-approved warehouse to another with the written consent of the producer and upon the request of the local warehouse and certification that there is congestion and lack of storage facilities in the area. However, if CCC determines such cotton is improperly warehoused and subject to damage, or if any of the terms of the loan agreement are violated, or if carrying charges are substantially in excess of the average of carrying charges available elsewhere and the local warehouse, after notice, declines to reduce such charges, such written consent need not be obtained.

(1) An FSA official, the loan servicing agent, or CMA shall arrange for reconcentration of the cotton under the direction of CCC and CCC shall obtain new warehouse receipts.

(2) Any reconcentration charges, fees, costs, or expenses incident to such actions shall be charged against the cotton, and must be repaid for bales redeemed from loan.
